Re: Response to motion on Overtime/Extra Service Pay for Current School Year

This is in response to the motion made by Connie Martin on November 2, 2022: "Request a report from the Administration listing all overtime payments for the current school year beginning July 1, 2022 and including any supplemental payments of contracts awarded to current LPS salaried and non-salaried staff."

All pay including regular pay and any additions/modifications are reviewed and approved in various stages. All staff changes or increases are triggered by Human Resources and processed by Lowell Public Schools' payroll office. This is a necessary internal control called separation of duties. The payroll office cannot process pay changes without documentation from Human Resources. After such changes are processed at Lowell Public Schools, the City Auditing Department reviews and ensures that the necessary back up and approvals are included. Finally, during our annual financial statement audits, the outside auditors identify a large sample pool of payrolls that are thoroughly reviewed to ensure accuracy, validity and approval.

Per Attachment A, Lowell Public Schools has paid $5,272,543.73 year to date in all payments outside of the Regular Pay series (Pay Code 100). The attachment is a summary that totals each sub-group. In comparison to other years, there is an increase due to the influx of ESSER dollars and the corresponding after school and summer school programs funded. As reflected on this attachment, the majority of the pay for additional services falls under Services or Summer School. Some other examples of stipends and services that would fall outside of regular pay would include:

- School Secretary Stipends (SC Meetings $23,500/yr)
- Substitute Calling Stipends ($15,000/yr)
- Athletic Coaches (Approximately $5,000)
- After School Club Advisors
- Bus Monitor Stipends (to assist with students returned to school)
- Lead Teacher Stipends $3,600/each
- Lowell Teacher Academy Instructor Stipends ($3,900-$4,900)
- Civil Service Overtime (1.5 X rate)
- Non-Affiliate Overtime (eg. Computer technicians) (1.5 X rate)

- Milk & Lunch Overtime (1.5 X rate)
- Man Out Overtime (custodial contract) (1.5 X rate)
- Special Detail Overtime Pay (custodial - school rentals) (1.5 X rate)
- SPED Para Additional Services (PD, after school programs, sub)
- Mainstream Para Additional Services (PD, after school programs, sub)
- Summer School
- Holiday Additional Pay (when staff has to work despite a holiday)
- Temporary Assignment $75/day additional
- Additional stipend paid to Principals for oversight of summer program

This project was prepared separately by both the Internal Auditor and the Budget Analyst to ensure accuracy. Both projects were compared to ensure all pay other than regular pay were included despite funding sources. Thus, those paid from the general fund, grants and revolving accounts are included. Please note that as a courtesy to staff, only employee names are listed on Attachment B which is the requested report that shows additional pay by position and employee number. The column headings show which type of additional pay was paid. A report with names will be brought to the meeting to allow for immediate answers to any questions asked.
