TOTAL COMPARATIVE ONE YEAR BID PRICE $_____

This is the pricing for one (1) year

TOTAL COMPARATIVE THREE YEAR BID PRICE $_____

Use the one year pricing above, multiply by three.

Bidders should note the comparative bid price is the basis for identifying the lowest bid price. The amount of extra work and number of emergency responses are estimates only. Bidders are bound by their bid prices for the three-year term of the contract but the only guaranteed payment quantities is the items A1. Extra work will be on an as needed basis and may be more or less than the estimated amount used for bid comparison.

Note the other pricing sheets contained in the bid must be completed to be considered.
