REFERENCE: OVERHANGING SIGN – 160 MERRIMACK STREET

Dear Mr. Geary:

I am seeking City Council approval to install two overhanging signs for the Lowell Culinary Collaborative located at 160 Merrimack Street. I understand that City Council approval is required as the sign overhangs a public way and that insurance is also required. The attached sign design has been approved by the Historic Board and your assistance in placing this on the City Council's next agenda to start this process would be much appreciated.

Thank you for your assistance in this matter and if you have any questions, please do not hesitate to contact me at (978) 501-3142.

Sincerely,

Elizabeth Falk
