7.I. [By Jackie Doherty]:

Request the Superintendent provide the committee with follow-up information to the report generated from my April 2018 motion regarding status of outdoor play spaces. The updated report should include information on newly added playgrounds as well as outline plans/timeline to ensure every elementary and middle school has access to safe, age-appropriate outdoor play areas, including collaborating with the City to target for extra oversight those city-managed parks that are the only outdoor play space for certain schools.

7.I.i. [By Bob Hoey]:

Request the Superintendent provide the committee with a report on the District's compliance with Chapter 71, Section 69. Are flags provided and properly displayed in compliance with the law, and is each teacher in the District leading the class in a group recitation of the "Pledge of Allegiance to the Flag?"
