Petition of the Massachusetts Electric Company d/b/a NATIONAL GRID  
Of NORTH ANDOVER, MASSACHUSETTS  
For Electric Conduit Location:

To the City Council of Lowell, Massachusetts

Respectfully represents the Massachusetts Electric Company d/b/a NATIONAL GRID of North Andover, Massachusetts, that it desires to construct a line of underground electric conduits, including the necessary sustaining and protecting fixtures, under and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it be granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as it may find necessary for the transmission of electricity, said underground conduits to be located substantially in accordance with the plan filed herewith marked – Pawtucket St. - Lowell, Massachusetts.

The following are the streets and highways referred to:

29547994 Pawtucket St. - Beginning at a point approximately 60 feet northeast of the centerline of the intersection of Merrimack St. and Pawtucket St. and continuing approximately 40 feet in a northerly direction. Customer will be responsible for excavation. Customer will install 1-3-inch conduit from P.22 to a meter pedestal for pedestrian lighting. Customer will also install secondary service cable in the conduit to power the lights.

Location approximately as shown on plan attached.

Massachusetts Electric Company d/b/a

Dated: March 20, 2020

Lowell

ORDERED:

Notice having been given and public hearing held, as provided by law, that the Massachusetts Electric Company d/b/a NATIONAL GRID be and it is hereby granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, and to make the necessary house connections along said extensions, as requested in petition with said company dated the 20th day of March 2020.

Said underground electric conduits shall be located substantially in accordance with the plan filed herewith marked - Pawtucket St. - Lowell, Massachusetts.

The following are the public ways or part of ways along which the underground electric conduits above referred to may be laid:

29547994 Pawtucket St. - Beginning at a point approximately 60 feet northeast of the centerline of the intersection of Merrimack St. and Pawtucket St. and continuing approximately 40 feet in a northerly direction. Customer will be responsible for excavation. Customer will install 1-3-inch conduit from P.22 to a meter pedestal for pedestrian lighting. Customer will also install secondary service cable in the conduit to power the lights.
