Hi,

My name is Tina Degree I live at 305 Nesmith Street Lowell, Ma 01852. The reason for the email is to put an item on the agenda for the next City Council meeting. The item that I want to put on the agenda is Residential Parking for residents that live at 387 Market Street as well as the other area's on Market and Merrimack Street. This has been an issue for my daughter and myself when I go to my daughter's house to babysit my grandchildren. My number is 978-394-0637 please feel free to call me if more details are needed thank you.
