Re: Motion by Andy Descoteaux: Request that the Superintendent establish a link on the Lowell Public Schools Website that indicates all K - 12 events in the Lowell Public Schools.

Date: February 28, 2018

In response to the above motion I have created a page on the district website that includes links to each individual school calendar as an easier way to access individual school calendars. The page can be access via our district calendar page at: <https://www.lowell.k12.ma.us/Page/2>
