RE: Request for Home Education

The following parents/guardians seek permission to home educate their children:

Steven and Heidi Perez
219 Jackson Street Apt. 432

Under General Laws Chapter 76, Section 1, Home Education is constitutionally permissible. Therefore, I recommend approval of this request.

If granted, the number of families approved by the Lowell School Committee to home school will total **35** and the total number of children will be **60**.
