Purchasing Equipment Delays

To: Members of the Lowell School Committee

From: Dr. Salah E. Khelfaoui, Superintendent of Schools 

Date: April 2, 2018

Re: Purchasing Equipment Delays

This report is in response to the following motion made by School Committee Member, Gerard Nutter at the February 14, 2018 School Committee Meeting:

Delay in Purchasing Equipment

[By Gerard Nutter]: Request the Superintendent to update/explain the delay in purchasing equipment for many other schools similar to what was done for the Pyne Arts School using our Comcast revolving account.

As per new state regulations the Comcast Revolving account no longer exists. All spending from the PEG Comcast funding has to be approved by the City Manager. Purchase requests for equipment for middle schools have been forwarded to the City Manager's Office.
