To whom it might concern,

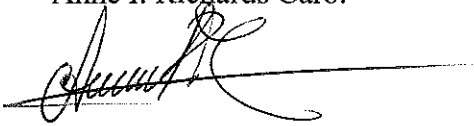

I Anne Ilse Richards Caro resident of the city of Lowell currently at the address of 186 Suffolk St. Lowell Massachusetts, I am writing this letter to respectfully request a handicap sign. I will place this sign in front of my residency since I am handicap in a permanent matter. Apt. 3

Unfortunately, due to my condition I cannot walk long distances or long periods of time which is why I am requesting this sign to be able to park my husband's car closest to our house. This car is where I am always transported and already has a handicap plate.

Thank you for your attention,

Best regards and respectfully,

Anne I. Richards Caro.
