Hi Nicholas,

Thank you for reaching out to me. Per our conversation in regards to a handicap sign placement. We are having a difficult time lately with parking in the front of our residents. We do own a repair shop and is usually very busy through out the day so when I come home sometimes I do not have a parking spot. Both I an my mother in law are handicap. It would be greatly appreciated if we can get a handicap parking sign put out in from of our house to be able to park out in the front by the front door and to eliminate the people from up the street that have there own driveway. We have asked them over and over again to not park there. If you have any questions you can call me at 978-479-1997.

Thank you

Sincerely,

Chastity Baldwin
