

COMMONWEALTH OF MASSACHUSETTS

CITY OF LOWELL

In City Council

VOTE

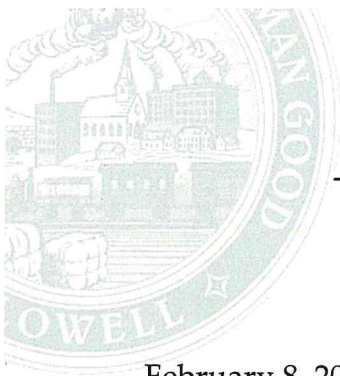

Authorizing the submission of the Schematic Design to the Massachusetts School Building Authority relative to the Lowell High School Project.

The City Council has completed its review of the Schematic Design Submittal (SD) for the Lowell High School Project, on February 12, 2019; and

The City Council approves and authorizes the Owner's Project Manager, Skanska USA Building, to submit the Schematic Design submission to the MSBA for its consideration on or before February 20, 2019.

BE IT VOTED BY THE CITY COUNCIL OF THE CITY OF LOWELL, as follows:

That the City Council of the City of Lowell hereby authorizes the submission of the Schematic Design to the Massachusetts School Building Authority relative to the Lowell High School Project by the Owner's Project Manager, Skanska USA Building, for consideration on or before February 20, 2019.

Eileen M. Donoghue
City Manager

Kara Keefe Mullin
Assistant City Manager

February 8, 2019

Mayor William Samaras
and
Members of the City Council

**REFERENCE: Authorize Submission of Schematic Design to Massachusetts
School Building Authority**

Dear Mayor Samaras and Members of the City Council:

At its February 7, 2019 meeting, the Lowell High School Building Committee unanimously approved of submitting the Lowell High School Schematic Design to the Massachusetts School Building Authority. Per the MSBA requirements, the City Council is required to take the same vote. This is the next step in order to move the high school project forward. Once received, the MSBA will review the submittal and determine whether to move the project forward to the next phases of funding and then detailed design.

I recommend the City Council approve of this submittal in order to move this project forward as expeditiously as possible. Please let me know if you have any questions on this matter.

Sincerely,

Eileen M. Donoghue
City Manager
