RE: MACOM donation

Superintendent J. Durkin,

Please accept this letter in regards to the recent extremely generous donation The Abraham Lincoln Elementary School has received from MACOM. I have attached a copy of the check in the amount of \$5,000.00 that we just received. I would very much like to be able to accept this on behalf of my school and students here at the Lincoln. I feel so fortunate that a local company is so vested and committed to partnering with our school to provide our students with opportunities and materials we may have been unable to acquire had it not been for their generosity and commitment to Lowell students, the community and the future of our city.

We would be using these donated funds to continue to upgrade our technology needs. We will be looking to add more projectors to the classrooms (grade 1) or to purchase an additional stocked chromebook cart. I have been working with the teaching staff, our Instructional Leadership Team and our School Site Council to develop a cohesive plan to address our needs as we look forward. Upgrading and adding technology has been an area that has been deemed a priority. This donation would enable us to continue to provide quality educational opportunities while preparing our students with foundational skills they will continue to need as 21 Century learners.

If there is anything further that I can be of assistance with, please do not hesitate to contact my office.

Respectfully Submitted,

Mrs. Ginger Coleman, Principal

Cc: BillyJo Turner
School Committee
