Please see the attached Department of Labor Standards Report of Findings and the City of Lowell's initial response to said report for your review.

I participated in a meeting on March 14, 2019 with the City Manager, several members of her administrative team, and representatives from the Department of Labor Standards to review the findings, discuss progress to date, and determine next steps. Three areas will be submitted to the Department of Labor Standards as a result of the meeting:

- Alarm System Protocol
- Preventative Maintenance Calendar/Tracking
- EMG and Boston Mechanical Reports
