RE: *Response to Motion Lowell High School Dual Enrollment*

---

The following report is in response to the motion by Jacqueline Doherty:

*Request the Superintendent provide the committee with an updated report on the Dual Enrollment Program including number of students involved with UML and MCC, courses offered at LHS and at the colleges, and other pertinent information about the program.*

Attached to this memorandum are two reports from Lowell High School Head of School Marianne Busted. The first report details student enrollment in Dual Enrollment courses for 2019. The second report is a list of the University of Massachusetts Lowell and Middlesex Community College Dual Enrollment courses offered to Lowell High School students each semester for the 2018-2019 school year.

I would like to thank Marianne Busted, Lowell High School Head of School, for providing the information in response to this motion.
