RE: Response to Motion on Unaffiliated Staff
Date: April 4, 2019

This is in response to the motion made by Robert Hoey at the 1/16/19 meeting: ***“Move to pay all unaffiliated staff the same amount the Unions receive.”***

Raises for fifty unaffiliated staff have been processed per the 2/14/19 vote. This raise will be included in the April 11, 2019 pay checks. The total cost of these raises is \$53,605.34 for the year. Retro payments were included to ensure that the raise was effective on January 1, 2019 to mirror the union raises.
