The City of **LOWELL** *Alive. Unique. Inspiring.*

Eileen M. Donoghue, *City Manager*

May 28, 2019

To Mayor William J. Samaras and Members of the Lowell City Council:

As City Manager, I consider myself fortunate to be a part of a very successful team of talented and hardworking employees that are not only often asked to “make it work”, but manage to do so under the lean budgetary constraints that we are all faced with. To avoid “getting lost” within the almost 700 page annual budget, I have decided to relocate most of the employee data to this addendum which is designed to highlight the city’s workforce.

Whether it is providing for our public safety, painting walls, enabling economic growth, collecting payments, issuing permits or licenses, mowing the grass, ensuring our water supply is clean, installing signs, generating payroll, issuing birth certificates, assessing traffic, or any of a variety of roles they meet, our diverse workforce successfully interacts with our community on a day-to-day basis, works hard to diligently meet your priorities, initiatives, and challenges and really is the city’s 24x7 operational lifeblood. As with the yearly budget, it is my hope that this addendum will grow over time to showcase our workforce, including who they are, what they do, and how vital they are to the city.

Thank you again for your vision and support, and “Thank You” to the workforce that works tirelessly to keep things running and manage to do so much with so little. It is truly a pleasure to serve as your City Manager.

Sincerely,

A handwritten signature in black ink that reads "Eileen M. Donoghue".

Eileen M. Donoghue
