If it is specifically stated elsewhere in the bid documents that samples are required, full size samples must be submitted not later than the official BID OPENING. Failure to submit said samples may be regarded as a basis for rejecting a bid. Samples may be impounded until satisfactory completion of the contract. Otherwise all samples must be called for by the bidder within thirty (30) days of the award of contracts or said samples will be presumed abandoned and the Purchasing Agent will dispose of them as he sees fit.

Article 23. Compliance with Laws, By-Laws and Regulations

If the City is unable to negotiate a satisfactory fee with the first ranked designer, negotiations shall be terminated and undertaken with the remaining designers, one at a time, in order in which they were ranked by the Committee until agreement is reached.

Once successful negotiations have concluded or if the fee has been set, the City will prepare the appropriate number of contracts and submit them to the successful applicant for signature. Upon receipt of the executed contract and all other required documents, the City will have the contracts signed by the appropriate City officials. For specific projects, the City will determine a scope of services, request proposals from an unspecified number of firms and subsequently award that work. This award will result in the issuance of a purchase order. Unless otherwise stated, the issuance of the purchase order is tantamount to a Notice to Proceed, at which time the successful applicant will be expected to begin work under the contract.
