**CLARIFY:**

Question: Charges for repair service for all work performed will be at a fixed hourly dollar amount based on 80 hours of repair service . Seems to contradict Item F. Where it says that 24 hour emergency service will be at no extra charge. Can we get this clarified?

Answer: The fixed hourly charge is the same for normal repair service and emergency service.

Question: Contractor must supply with the bid a representative list of all major parts to be supplied during the term of the contract. Is there referring to parts that might need to be replaced and would need to be approved before replacing?

Answer: Yes

Sincerely
