## **I. Step-by-step process to obtaining a license for a special event in Lowell**

The application for a Special Event in Lowell is available online at <http://www.lowellma.gov/citymanager/events/Pages/General/Special-Event-Permits.aspx>, via email and in the **Cultural Affairs and Special Events Office**. Applications will be reviewed within 2 weeks of receipt. There is a \$25 processing fee, payable by check or money order, which is due when the application is submitted. **Cultural Affairs & Special Events** staff will advise as to which City Departments will need to be contacted and what other permit(s)/permissions may be required. It will be the responsibility of the event contact person to secure all necessary permits.

### **Notification deadlines:**

Please plan ahead and allow advance notice for all your events.

Block Parties, Road Races, Festivals, Filming require **2 months advance notification** to the Cultural Affairs and Special Events Office.

Larger scale events such as major festivals with over 500 attendees should contact the Cultural Affairs and Special Events Office **6 months in advance** of the date of the event.

### **Develop a Plan**

This is what will need to be included on the application.

- Primary contact person for the event and their contact information.

- Date and duration of the event.

- Event location.

- Expected turnout for the event.

- Whether alcohol will be served.

- Whether a street closure is will be needed.

- Rain date and plan.

If your application is for a road race, you will need to provide a route map and a detailed safety plan.

If you plan on serving food or including food trucks or vendors, you will need to contact Development Services/Health at (978) 674-1458 to make sure their food service inspections are up-to-date. See pages 7 and 12 for more information.

## **II. License Commission**

Events serving alcohol or using amplification systems will need to receive separate licenses from the License Commission. The License Commission also issues permits for sidewalk stands.

The Lowell License Commission schedules meetings bi-monthly in the City Council Chamber. Refer to the City Hall Calendar- <http://www.cityoflowellcalendar.org/> -for the date and time of meetings. Applicants are advised to file not less than three (3) weeks prior to the scheduled event.

A request for a license or permit requires that the responsible individual appear at the meeting to answer questions about the event. Call in advance to reserve time at the meeting.

Prior to appearing before the License Commission, the individual/organization will have the approval of the Cultural Affairs Office, Police Department, Fire Department, Inspectional Services, Health Department, Department of Public Works and the Board of Parks.

### **A. Alcoholic beverages**

Sale and service of alcohol requires that a one-day license be granted and issued by the License Commission. It is illegal in the City of Lowell to sell, serve, and consume alcoholic beverages on public property without a license. The outdoor area is to be enclosed by fencing or other barrier set-up for the purpose of restricting the removal of alcoholic beverages by patrons/guests. The applicant is an individual, as the responsible manager for the organization. He or she agrees to control the dispensing of alcohol to persons not under the age of twenty-one (21), and that there is to be no service of alcohol to individuals who are or “appear to be” under the influence of alcohol.

### **B. Amplification**

City of Lowell Noise Ordinance allows the License Commission to grant amplification of sound permits for special events. The permit is specific to a special event, not for a family event on private property. The ordinance restricts the hours to the following:

Sunday to Wednesday-	10 a.m. to 10 p.m.
Thursday to Saturday -	10 a.m. to 12 midnight

### **C. Sidewalk Stand License**

Business owners may request a permit from the License Commission for the following:

- Single day only (fee, \$5.00)
- Seasonal permit, April to October (fee, \$25.00)
- Lowell Folk Festival weekend only (fee, \$5.00)

**D. Insurance**

The individual/organization that has permission to access public property is required to have the City of Lowell co-insured for not less than \$500,000.

### **III. Departments**

#### **Board of Parks**

The Board of Parks has jurisdiction and authority to act in all instances for the promotion and conduct of recreation, play, sport or other similar acts with regard to the use of playgrounds, parks, stadiums, etc. Contact a month before an event.

#### **Fire**

The Fire Department needs to be notified 2 weeks prior to the use of propane tanks for cooking or heating and they require a gas permit. A fire detail must be on site for the duration of the event. Fire extinguishers must be onsite.

Anyone using fireworks needs to notify 15 days prior to the fireworks arriving and the permit must be until they leave.

If a tent is being used that holds 50 or more people or it is a heated tent, you must have a firefighter onsite.

#### **Development Services/Health**

Development Services/Health Department requires a completed Temporary Food Establishment Permit and an employees log a minimum of 30 days before an event. A vendor without a licensed facility of their own must complete a Licensed Food Establishment Agreement Form. Refer to the *General Guide to Temporary Food and Festival Events Information* distributed by Development Services. Please contact Development Services directly for the necessary forms.

#### **Inspectional Services**

The License Commission approves carnival license applications for events occurring on weekdays and Saturday. Carnival license applications for events occurring on Sunday must apply for the Sunday entertainment license. These applications, after receiving the Manager's approval, are sent to the Office of the Commissioner of Public Safety for approval by the Commonwealth.

Massachusetts law requires that mechanical rides at a carnival, and possibly a circus, be approved by the Department of Public Safety of the Commonwealth.

Development Services requires a permit for a tent equal to or greater than 120 feet and 30 inches in height.

A non-profit must request:

- a) Certificate of approval for mechanical rides issued by the Department of Public Safety.
- b) Certificate of Insurance with a minimum of \$1,000,000 in liability, that the organization be co-insured if the carnival is to take place on private property.
- c) Certificate of workers compensation, i.e. certificate of insurance, held by the carnival promoter.

d) The sponsoring non-profit organization should check with the Fire Department and Inspectional Services about the penchant for promoters having their workers sleep on carnival grounds.

**City Calendar**

Your event may be uploaded to the City calendar at [www.cityoflowellcalendar.org](http://www.cityoflowellcalendar.org). Some restrictions apply and local events (block parties, garage sales), may not be uploaded. Guidelines are available on the site.

**Parking**

The parking department needs to be notified 2 weeks before a large event in the downtown area in order to staff the garages.

**Police/Traffic**

Some events may require a police detail. This determination will be made by the Special Events Coordinator in consultation with the Lowell Police Department. All expenses are the responsibility of the festival organizer.

**Solid Waste & Recycling**

The Solid Waste & Recycling Office needs to be notified at least 4 weeks before a large event, 3 weeks for medium sized events and 2 weeks for small events. Collection containers for waste and recycling are required and may be available for rent. Coordinate your solid waste plan with the Solid Waste & Recycling Office.
