

Neighborhood Innovation Grants Quick Facts

What are they? The City of Lowell is excited to announce a grant opportunity available through the Department of Planning and Development. The Neighborhood Innovation Grant program provides \$1,000 grants to individuals and organizations in the City of Lowell for the creation of new projects to help improve our neighborhoods

Why Participate? The Neighborhood Innovation Grant Program is intended to support community driven, grassroots projects and foster a strong sense of community. The City of Lowell is keenly aware that we have a community full of creative and motivated individuals and want to support people in their efforts to improve our city. Grants will be awarded to new, fun, and exciting projects aimed at bringing neighbors together to inspire pride and a sense of ownership within the community.

All grants are done on a **reimbursement** basis.

Applications will be **available online** and also **emailed** to all interested individuals and community organizations.

Projects must be completed by **June 30th, 2016**
