LOWELL POLICE INVESTIGATING FATAL MOTOR VEHICLE CRASH

Officers from the Lowell Police Department responded to a motor vehicle crash involving a pedestrian in the parking lot of the Murkland School at 350 Adams St. at 11:25am. Upon arriving they learned that an elderly Lowell woman had been struck and fatally injured by a pickup truck that was arriving to do work at the school. Initial information indicates the pickup truck had just pulled into a parking space in the lot but was directed to move. Upon backing up, the truck struck the woman. Lowell Police Crash Reconstructionist's were conducting the investigation on scene and the operator of the pickup truck has been cooperating with the investigators. The State Medical Examiner and Middlesex District Attorney's Office are also involved in the case. No identification is being released at this time on either the victim or the operator.
