NEW BUSINESS

Emergency Certification

Lowell Department of Public Works
1365 Middlesex Street
Lowell, MA 01851

Project Location: Clay Pit Brook near to Eleanor Drive and Varnum Avenue 01854

An emergency certification was issued to the City of Lowell Department of Public Works to make a small breach in the existing beaver dam(s) to allow water to flow and abate flooding of homes near to Clay Pit Brook. Humane trapping of beavers consistent with MGL c131 Massachusetts Division of Fisheries and Wildlife regulations is permitted if deemed necessary by a licensed professional to abate the emergency.

Emergency Certification

Merrimack Valley Radio, LLC
234 Central Street
Lowell, MA 01852

Project Location: 280 Totman Street 01854

An emergency certification was issued to Merrimack Valley Radio, LLC to conduct work necessary to control beavers and breach a dam causing high waters and a high voltage hazard at the radio tower near to Clay Pit Brook.

Request for Determination of Applicability

Nitsch Engineering c/o
City of Lowell
375 Merrimack Street
Lowell, MA 01852

Project Location: 50 Father Morissette Blvd., 55 French St., 75 Arcand Dr. (Lowell High School) 01852

A Request for Determination of Applicability has been filed by Nitsch Engineering on behalf of the City of Lowell to demolish an existing medical office building, partially demolish the existing school building, demolish and replace the existing pedestrian bridges, and rebuild, renovate, and expand the Lowell High School. The work will include activity within 100-ft. of the Merrimack Canal and within the canal bed.
