CITY OF LOWELL, MASSACHUSETTS  
BOARD OF HEALTH

May 6, 2020

A meeting of the Lowell Board of Health was held on Wednesday, May 6, 2020 by conference call. Chairperson John Donovan called the meeting to order at 6:01 P.M.

Phone-In Participants:

John Donovan, Chairperson  
Kathleen Cullen-Lutter, Board Member  
Lisa Golden, Board Member  
William Galvin, Board Member  
Joanne Belanger, Director of HHS  
Jo-Ann Keegan, Interim Director of HHS  
Shawn Machado, Sr. Sanitary Code Inspector  
Dr. Peter Connolly, Medical Consultant  
Jon Kelley, Trinity EMS, Inc.  
Kurt Brigham, Trinity EMS, Inc.  
Casey Rainville, Lowell General Hospital Paramedics

The meeting of the City of Lowell Board of Health was called to order at 6:01 PM by Chairperson John Donovan.

05-06-2020

**1. NEW BUSINESS**

**1.I. Conference Call Log-In Information**

1.II. **Introduction:** Joanne Belanger, Health and Human Services Director  
Interim Health Director Jo-Ann Keegan introduced Joanne Belanger to the Board. Ms. Belanger accepted the position of Health and Human Services Director and began employment on April 21, 2020.

1.III. **For Acceptance:** Minutes of the April 1, 2020 Board of Health Meeting

**Motion:** To approve the minutes of the April 1, 2020 Board of Health minutes made by Lisa Golden, seconded by Kathleen Cullen-Lutter. All in favor.

1.IV. **Development Services Reports** submitted by Senior Sanitary Code Inspector Shawn Machado  
Senior Sanitary Code Inspector Shawn Machado made a verbal report to the Board. No inspections occurred in April due to the State mandated stay at home order. Mr. Machado updated the Board regarding China Star on Broadway St and the Green Forest Tea House on Willie St. Fines have not been paid at this time. The Health Inspectors have been reaching out to the food establishments regarding the Governor's Executive Order regarding the wearing of masks, and people have been calling his office about the order. Currently Mr. Machado is waiting to receive flyers from the City Manager's office regarding the Executive Order to pass out to the establishments.

1.V. **For Review:** Trinity EMS, Inc., Reports submitted by Jon Kelley

Mr. Jon Kelly reviewed the reports with the Board. Jo-Ann Keegan inquired why the reported overdoses were at the lowest point since 2014. Mr. Kelley commented that there is talk of the Fentanyl supplies being down. Quarter 1 totals were low and fell more after the Social Distancing regulations were started. Mr. Kelley inquired if the Board would like a COVID-19 data points report but the Board held off on starting one.

## **2. OLD BUSINESS**

### **2.I. Update:** COVID-19

The Board did not vote on the proposed mask regulations due the Governor's Order regarding wearing of masks in public that was scheduled to being on May 6, 2020 making a BOH regulation unnecessary. Board Member Kathleen Cullen-Lutter inquired as to what age masks would be required. Per the Governor's order, any person the age of 2 or greater must wear a mask unless they qualify for an exemption noted in the orders. The Board inquired about the shelter for the homeless COVID patients. Ms. Keegan informed the Board of the various programs being used, such as the State Isolation hotels for active cases, the use of the Stoklosa School for contacts. Ms. Belanger informed the Board that she is working with Mary Shannon Thomas and a plan for solving problems with this population is pending approval. Member Cullen-Lutter inquired further on the use of the isolation hotels and the Stoklosa School. Ms. Belanger went into further detail about the programs and noted that the Sheriff's Department was providing transportation to the locations. Ms. Keegan noted that the Department has reached out to Lowell General Hospital for assistance with testing residents of the Community Teamwork Inc. family shelters.

### **2.II. Update:** Service Zone Plan

Ms. Keegan updated the Board on the status of the Service Zone plan. Currently the State is waiting on a copy of an updated contract for inclusion.

## **3. DIRECTOR'S REPORT**

### **3.I. Update:** Departmental and Divisional Reports

Ms. Belanger informed the Board that she has held a conference call with the Directors of the four additional departments in Health and Human Services regarding what their goals are towards the reopening of the City Departments.

## **4. MOTION: TO ADJOURN**

**Motion:** To adjourn made at 6:41 PM by William Galvin, seconded by Lisa Golden. All in favor.

**THE NEXT MEETING OF THE LOWELL BOARD OF HEALTH WILL BE HELD ON  
MAY 6, 2020 AT 6:00 PM BY CONFERENCE CALL.**

# Lowell Tobacco Control Report

## March, April and May of 2020

Prepared by: Cesar Pungirum, M.M., J.D.  
Program Director

### Lowell

#### Inspections

Due to the measures put into place to help reduce the spreading of the coronavirus, most inspections conducted have been drive-by inspections to ensure Adult-Only Retail Tobacco Stores remained closed, as they are deemed nonessential businesses.

Some of these resulted in actual inspections conducted at Yaya Cigars and Vapes, 309 Chelmsford Street, as the establishment was found to be open on an intermittent basis. On May 12<sup>th</sup>, I had to return to the establishment with a police officer to compel the owner to close the store.

#### Pricing Surveys

No pricing surveys were conducted during this period and the Massachusetts Tobacco Cessation and Prevention Program (MTCP) has suspended the requirements until further notice.

#### Implementation of the new state law: An Act Modernizing Tobacco Control

As of June 1st, no establishment in Lowell will be allowed to sell any traditional flavored tobacco products, including menthol (cigarettes, cigars, chewing tobacco, pipe tobacco, etc). Regular establishments will be allowed to sell non-flavored e-products with a nicotine content of 35mg or less. Adult-Only Retail Tobacco Stores will have no restriction on the nicotine content of non-flavored e-products. All retailers have been reminded of that by a letter that was mailed out earlier this month.

#### No Menthol, Know Why Campaign

This is a new state campaign aiming to raise awareness in Black, Latin and LGBTQ+ communities about *why* this law matters for racial and health equity and provide information about the resources available to help people quit smoking.

#### Curbside Guidelines for Adult-Only Retail Tobacco Stores

Adult-Only Retail Tobacco Stores are now allowed to provide curbside service for tobacco products. In order to assist these retailers to implement procedures to prevent the spreading of the coronavirus, as well as, comply with existing local, state, and federal tobacco laws, I mailed them a set of recommended procedures. These procedures were adapted from the guidelines issued by the Cannabis Control Commission. *See attachment.*

#### Tobacco Control Grant Renewal and Supplemental Funding

We're currently in the process of renewing our tobacco control grant for FY 2021. In addition, we're receiving an extra \$30,000 for FY2020 to support the implementation of the new tobacco law.

## **CURBSIDE GUIDELINES FOR ADULT-ONLY RETAIL TOBACCO STORES**

1. “Curbside Operations” is defined as the transfer or dispensing of Tobacco Products by a current Tobacco Product Sales Permit holder who is an Adult-Only Retail Tobacco Store to a vehicle located in the parking area of the Adult-Only Retail Tobacco Store or to an individual at the entrance to the establishment. “Entrance” shall include an access control vestibule or air-lock entrance that is enclosed and physically separated from the retail or other functional areas of the establishment.
2. As of May 26, 2020, Adult-Only Retail Tobacco Stores may conduct pre-orders by phone or electronic means with a customer, who is at least 21 years of age, prior to the purchase and transfer of Tobacco Products curbside.
3. If an Adult-Only Retail Tobacco Store completes a pre-order by phone or electronic means, the retailer may transfer Tobacco Products at a curbside operation subject to the following conditions:
  - a. Curbside Operations shall occur outdoors and shall be located so as to minimize compromises to security, taking into consideration camera locations, foliage or other obstructions, proximity to the establishment’s entrance and similar considerations;
  - b. All sales must occur at the Adult-Only Retail Tobacco Store. This requirement is satisfied if one of the following has occurred:
    - i. Sales occur in compliance with the state guidance, including the Reopening Requirements.
    - ii. Payment is made through one of the following means:
      1. by an electronic Internet-based payment platform;
      2. by phone in a call-ahead manner;
      3. by a mobile payment point-of-sale (POS) system; or
      4. by cash within the brick-and-mortar premises entrance. Such transactions would be strictly limited to allow for the pre-arranged cash payment of the Tobacco Product and should require exact change so as to minimize contact and expedite transactions to avoid lines.
  - c. Scheduled appointments and social-distancing practices consistent with state and federal guidance are encouraged.
  - d. Adult-Only Retail Tobacco Store agents shall identify the purchasing individuals and any accompanying individuals arriving curbside.
4. Agents shall verify the purchasing customer’s age is 21 years of age or older by examining a government-issued photographic identification;
5. To the extent that curbside transfer involves a vehicle, all other individuals in the vehicle must be 21 years of age or older;

6. Adult-Only Retail Tobacco Store agents are not required to physically handle an identification card if verification can be performed by visual inspection or scanning device.
7. Adult-Only Retail Tobacco Stores newly conducting Curbside Operations shall have standard operating procedures that include the following:
  - a. Identify designated curbside sales area(s), traffic queuing plans, and signage to direct Customers;
  - b. Ensure traffic does not overflow onto public or private property unless permission has been obtained by the municipality and/or owner.
8. To the extent feasible, Adult-Only Retail Tobacco Stores shall minimize the impact of Curbside Operations on municipalities.
9. Curbside Operations shall not block traffic, sidewalks, or increase lines or crowds; and
10. Adult-Only Retail Tobacco Stores must remain in compliance with the terms of all local rules, regulations, ordinances, and by-laws, including any municipal public health order.
11. Tobacco Product Sales Permit holders shall comply with any applicable orders issued by state or local authorities, including all executive orders and guidance issued by the Governor pursuant to Chapter 639 of the Acts of 1950.
12. Adult-Only Retail Tobacco Stores shall monitor and comply with all state and local guidelines and bulletins, including those establishing social distancing measures.
13. Failure to comply with the above conditions may result in disciplinary action against the Adult-Only Retail Tobacco Stores and their agents up to and including suspension and/or revocation of licensure or registration and any additional civil and criminal penalties established under the Essential Services Order.

**Application for Permit to Operate a Bathing Beach**

Date of Application: May 21, 2020  
City/Town: Lowell, MA  
Beach Name: Ryans Beach  
Beach Operator Name: City of Lowell Recreation Office  
Operator Address and Phone Number: 375 Merrimack St Rm 7  
Lowell, MA 01852 978-674-4175

The following data is from Trinity EMS electronic Patient Care Reports. This data is from calls in all 13 communities Trinity provides service for. Only data from April 2020 opioid related calls are included

Trinity EMS Inc provides EMS services for the following communities in MA: Boxford, Chelmsford, Dunstable, Groveland, Haverhill, Lowell, and Dracut. In NH: Atkinson, Danville, Hampstead, Newton, Plaistow, and Sandown.

Only opiate overdoses that Trinity EMS Inc responded to are included. If someone from one of the communities listed above overdosed in another community not listed, it will not be represented in this data set.

System wide, Trinity treated 64 patients with an opioid related issue in April 2020.

Dear Town Official,

The Central Massachusetts Mosquito Control Project conducts water management projects for our member communities from October through March. The wetlands project coordinator conducts site assessments, evaluates and prepares projects throughout the year. Water management projects include stream cleaning, ditch maintenance and in some instances pond maintenance. In addition, we assess problem beaver habitat sites for potential mitigation projects. Town officials as well as residents may request assessments.

We would like to provide more services to your town and need your help for potential leads. Please let me know if you have any potential projects and I would be happy to provide an assessment.

For more information you may check out our water management website at [www.cmmcp.org/restoration2.htm](http://www.cmmcp.org/restoration2.htm). Please contact me via email or phone call at [proctor@cmmcp.org](mailto:proctor@cmmcp.org) or (508) 393-3055 ext. 102. Thank you.

Sincerely,

Katrina K. Proctor

May 15, 2020

City of Lowell  
Health Department  
Lowell, MA 01581

Central Massachusetts Mosquito Control Project personnel will be in your community to respond to residents' concerns about mosquitoes in their area on the following dates in June/July:

**June 3, 10, 17, 24, July 1**

**All dates** are subject to change due to weather conditions, mosquito populations, mosquito virus activity and/or special event spraying. This program will shut down when cool night time temperatures become predominant in the area. A detailed notice about our spray schedule is posted on the CMMCP phone system after 3:30 p.m. each day, and it is also listed on our website at <https://www.cmmcp.org/pesticide-information>.

Requests for service may be recorded by calling the CMMCP office at (508) 393-3055 between 7:00 AM - 3:30 PM, Monday through Friday, or logging on to <https://www.cmmcp.org/>. Results of these requests may initiate an application of mosquito insecticides to defined, site-specific areas of town. These applications will be performed by using truck-mounted equipment staying on paved surfaces.

Per 333CMR13.03(1)(a): "Wide Area Applications of pesticides and mosquito control applications of pesticides approved by the State Reclamation and Mosquito Control Board shall not be made to private property which has been designated for exclusion from such application by a person living on or legally in control of said property." For more information please check: <https://www.cmmcp.org/pesticide-information/pages/pesticide-exclusion>.

Please list this information in the local newspapers and on the local cable access channels if possible. Thank you for your assistance.

Sincerely,

*Timothy D. Deschamps*

THIS AGREEMENT made and entered into this Eleventh day of March, 2019, by and between PETER S. CONNOLLY, M.D., an individual having a usual place of business at 100 Pettey Lane, Westport, MA 02790, Bristol County, Commonwealth of Massachusetts, hereinafter called "CONSULTING PHYSICIAN", and the CITY OF LOWELL, a municipal corporation duly established by law and located in County of Middlesex and Commonwealth of Massachusetts acting by and through its Board of Health, hereinafter called "CITY", WITNESSETH: That

WHEREAS, the CITY is desirous of employing a part-time CONSULTING PHYSICIAN to provide medical consulting services to the Lowell Board of Health and the Health Department of the City of Lowell; and

WHEREAS, the CONSULTING PHYSICIAN has offered to provide such services to the CITY and the CITY has accepted the CONSULTING PHYSICIAN'S offer, subject to the conditions and agreements herein contained;

WHEREAS, the CONSULTING PHYSICIAN has stated that he is duly qualified to render such services to the CITY;

NOW, THEREFORE, IT IS AGREED by and between the parties hereto, as follows:

-1-

The CONSULTING PHYSICIAN agrees that he will provide such professional medical expertise, consultation and recommendations to the City Manager, Health Director, Public Health Nurse Manager, and Nurse Coordinator on matters relating to public health, communicable diseases, emergency preparedness, chronic disease prevention, and school health issues, including but not limited to meetings of the Board of Health; Consultant to Public and Private Schools MGL Ch. 71, Sec. 53, general consultation related to the health of the school population; or emergency response issues; provide prescriptions and standing orders as needed;

-2-

Payments under this Agreement shall not exceed SIX THOUSAND (\$6,000.00) DOLLARS, during the period commencing July 1, 2019 and terminating June 30, 2020. This Agreement is expressly subject to and contingent upon an annual appropriation of funds by the City Council. It is further understood that such employment is to be considered part-time and not full-time. The CONSULTING PHYSICIAN shall be compensated at the rate of ONE HUNDRED (\$100.00) DOLLARS per hour.

-3-

Payment shall be made on the twentieth day of the month for all services provided during the preceding month, provided bills containing detailed information are submitted to the Health and Human Services Department on or before the first day of the month in which payment is to be made and after approval of said bills by the Director of the Health and Human Services Department.

-4-

This CONTRACT is subject to all laws, federal, state, and local, which are applicable to this Contract, and it is presumed that the CONSULTING PHYSICIAN is cognizant thereof.

-5-

The CONSULTING PHYSICIAN agrees that his attention has been called to the provisions of the "Reserve System" Ordinance of the City of Lowell, which is now incorporated in "The Code of Ordinances City of Lowell, Massachusetts", passed by the City Council on December 23, 2008 and Amendments Thereto and that each purchase order, so-called, issued in accordance with Section 28-32 of said Code to cover the services rendered under this Agreement shall be made a part hereof by reference. It is further agreed that no obligation shall be considered to have been incurred under this Agreement unless and until a purchase order shall have been duly issued and approved.

And further, that the obligation incurred shall be limited to the amount set forth in the purchase order or purchase orders duly issued and approved.

-6-

The CONSULTING PHYSICIAN shall give his attention constantly to the faithful performance of the work and shall keep the same under his personal control and shall not assign nor sublet the work or any part thereof without the previous written consent of the City of Lowell and shall not, either legally or equitably, assign any of the monies payable under this Agreement or its claim thereto unless by and with the written consent of the City of Lowell.

-7-

It is further agreed by the CONSULTING PHYSICIAN that, in the event the CITY is sued in a court of law or equity, or demand is made upon the CITY for payment of any damages arising out of the CONSULTING PHYSICIAN'S performance or non-performance of this Contract, then the CONSULTING PHYSICIAN, without reservation, shall indemnify and hold harmless the CITY against any and all claims arising out of the CONSULTING PHYSICIAN'S performance or non-performance of this Agreement.

-8-

The undersigned certifies under penalties of perjury that this quote or proposal has been made and submitted in good faith and without collusion or fraud with any other person. As used in this certification, the word "person" shall mean any natural person, business, partnership, corporation, union, committee, club or other organization, entity, or group of individuals.

-9-

It is understood and agreed by the CITY and the CONSULTING PHYSICIAN that pursuant to the Code of the City of Lowell, Chapter 28, Article V, a Contract Performance Record Form must be completed on this contract by the Department Head or her designee, who is supervising this contract, and such Contract Performance Record Form must be submitted to the City Manager, City Auditor, and Purchasing Agent prior to release of final payment under this contract. If requested by the CONSULTING PHYSICIAN a copy of the Contract Performance Record Form shall be furnished to the CONSULTING PHYSICIAN.

-10-

It is further agreed that the City of Lowell may terminate this Agreement without cause, upon fourteen (14) days' written notice to the other party, sent by certified mail, to the usual place of business of the other party. The City may also terminate this Agreement at any time for cause.

-11-

The CONSULTING PHYSICIAN certifies that any and all taxes and municipal fees due and owing to the City of Lowell have been paid in full.

Consulting Physician shall possess and maintain a medical degree and a valid license to practice medicine within the Commonwealth of Massachusetts.

IN WITNESS WHEREOF, the said PETER S. CONNOLLY, M.D., and the said CITY OF LOWELL have hereto and to a duplicate and triplicate hereof caused their corporate seals to be affixed, if any, and these presents, together with said duplicate, and triplicate hereof, to be signed in their name and behalf by their duly authorized officers the day and year first above written.

**Memorandum**

**From:** Executive Office of Energy and Environmental Affairs

**Date:** May 18, 2020

**Subject:** Specific Safety and Reopening Standards for Parks, Open Space, and Outdoor Education Programs

---

The following guidelines apply to Parks, Open Space, and Outdoor Education Programs during Phase 1 of the Commonwealth's Reopening.

All visitors to parks and open space, and managers associated with properties or activities herein, should abide by the specific guidelines outlined. Property-specific guidelines should be posted at entrance points to areas and on relevant social media/websites. Guidelines provided herein should apply to all parks, reservations and open spaces unless otherwise specified.

This guidance should apply until amended or rescinded. Any questions regarding this guidance can be sent to [outdoor.recreation@mass.gov](mailto:outdoor.recreation@mass.gov)

**DPH Orders and Guidelines**

**Face Coverings and Masks:** All visitors to parks and open space, as well as those participating in outdoor education programs should comply with *COVID-19 Order 31: Order Requiring Face Coverings in Public Places Where Social Distancing is Not Possible*. The order requires any person over the age of 2, whether indoors or outdoors, to wear a face covering or mask when they cannot maintain 6 feet of distance between themselves and others, unless they have a medical condition preventing them from doing so (see further guidance here: <https://www.mass.gov/info-details/covid-19-state-of-emergency>).

**Group Size:** No groups larger than 10 are allowed to gather: <https://www.mass.gov/doc/march-31-2020-assemblage-guidance/download>

## **Parks and Open Space**

Walking, hiking, biking, running, and other activities (yoga, tai chi, etc.) are allowable activities in parks and other designated areas such as rail trails, multi-use paths, and bike paths.

### **Parks and Open Space Guidelines:**

- Visitors should always practice social distancing by remaining 6 feet away from others and adhering to all site-specific rules, regulations, and posted signage regarding permitted uses.
- On trails, walker and hikers should move aside and leave room for others to pass, and cyclists and runners should alert other users when approaching and wait for others to step aside before passing.
- After visiting public spaces, users should use wash their hands or use hand sanitizer.

## **Athletic Fields and Non-Contact Courts (Non-Organized/Permitted Use)**

Athletic fields and athletic courts can be utilized only for non-contact sports, with no shared equipment, such as tennis and pickleball. No permits should be issued for group gatherings and users should not engage in pick-up games, organized games or tournaments.

### **Athletic Fields Guidelines:**

- Users should sanitize hands before and after play, not share equipment, and clean and wipe down equipment.
- When engaged in play, users should avoid touching other users' equipment in separate areas.
- Users waiting to utilize a section or area of the field should wait outside the field of play until previous users have vacated the facility to ensure proper social distancing and prevent accidental contact of other users' equipment.
- Users should not engage in pick-up games, organized games, or tournaments.

### **Athletic Courts (Non-Contact) Guidelines:**

- Users should sanitize hands before and after play, not share equipment and clean and wipe down equipment, including racquets, balls, and water bottles.
- Users waiting to utilize a court should wait outside the court's gates/fence until previous users have vacated the facility to ensure proper social distancing and prevent accidental contact of other users' equipment.
- Users should not engage in pick-up games, organized games, or tournaments

## **Picnic Areas and Grills**

Picnic and grill areas should be closed if social distancing cannot be maintained and sanitizing protocols cannot be performed between use.

## **Trash Disposal and Public Restrooms**

Where available, trash disposal and restrooms facilities should be available for public use. Trash disposal and restrooms at parks, reservations and open space managed by municipalities or other organizations for public use is available to the discretion of the city or town it is in and/or the managing organization.

**Trash Disposal General Guidelines:**

- Visitors of public parks, reservations, and open spaces should expect limited or no trash disposal receptacles.
- When visiting public properties without trash receptacles, visitors should adhere to a strict “carry in, carry out” policy and take waste with them.
- Where trash receptacles are available for normal use, park managers should, where feasible, provide no touch, lidless trashcans.

**Public Restrooms General Guidelines:**

- Users should abide by social distancing standards for bathroom lines and follow any established visual guidelines for maintaining a 6 ft distance in all restroom facilities.
- In advance of the initial opening of public restrooms, the managing entity should adhere to the Centers for Disease Control and Prevention (CDC) guidelines pertaining to the cleaning and disinfection standards of operating procedures for interior spaces and that social distancing can be maintained.
- The managing entity should have the facilities cleaned at least once daily by staff and perform deep cleaning and disinfection services at least once per week and should follow the EEA COVID-19 Outdoor Recreation Facility Restroom Cleaning Best Practices.
- Composting (clivus or similar) toilets should be permanently closed and should be replaced with temporary (seasonal) portable restrooms with daily cleanings.
- Restroom facilities should contain hand washing and/or sanitizer stations, and the public should use these stations following the use of the facilities.

**Non-Commercial Dog Walking and Dog Parks**

Non-commercial dog-walking and dog parks are allowable activities to the extent allowed by the managing entity.

**Non-Commercial Dog Walking Guidelines:**

- All dog walkers and their dogs should practice social distancing, and users should provide appropriate space for others and/or their dogs to pass when necessary.
- Social distancing for dogs means that dogs not part of the same household should be kept at least six feet apart and avoid interacting with other dogs and other people from separate households.
- Dog walkers should not share toys, treats, or other materials with dogs that are not within the same household.
- Dog walkers should supply their own bags associated with dog waste in the event there are none available on site and remove dog and other waste and dispose of it either in a designated receptacle onsite or at another appropriate location.
- Dog walkers should supply their own water and other needs for their pets in the event there are none available onsite.

**Dog Park Guidelines:**

- All users of dog parks and their dogs should practice social distancing of at least six or more feet.
- All visitors of dog parks should maintain enough control over their pets via leash or voice control to comply with social distancing guidelines and site-specific rules and regulations.
- Dog park amenities, including shared water dishes, toys, and other materials, should not be used by dogs or handled by visitors.
- Visitors of dog parks should supply their own bags associated with dog waste in the event there are none available onsite and take dog waste with them if designated trash receptacles are not available for normal use.
- Property managers, where feasible, if trash is available, should provide no touch, lidless trashcans.

**Community Gardens**

Community gardens, and associated activities, are permissible to the extent allowed by the managing entity.

**Community Garden Guidelines:**

- Users of community gardens should follow social distancing guidelines and should avoid utilizing communal tools, hoses, and other equipment, and avoid the sharing of personal equipment whenever possible. Additionally, users are responsible for sanitizing items before and after each use.
- Community garden users should only visit and utilize plots with members of the same household if social distancing cannot be maintained.
- If crowding becomes an issue, community garden committees and property managers should create a schedule to avoid crowding of individual plot users and maintenance of social distancing protocols.

**Outdoor Education Programs**

Organized educational programs, activities and outdoor public art installations may occur in outdoor spaces during Phase 1 only if the program does not require individual participants to share equipment or make physical contact in order to engage in the activity, subject to the following guidelines.

**Outdoor Education Program Guidelines:**

- To allow for adequate social distancing for the activity, as well as ingress and egress, the layout of the class should be managed to accommodate a minimum of 12 ft distance between each individual activity station.
- Facial coverings are required, and instructor and participants must always comply with all social distancing requirements and remain 6 ft apart. Programs must be conducted without shared equipment, tools or materials

- Activities must be limited to gatherings of no more than 10, including instructor or leader.
- Organizers must use a pre-registration process to ensure group size.
- Instructors must be familiar with all protocols and procedures to maintain a safe activity, e.g. monitoring physical distancing, not allowing participants without facial coverings, disinfecting tables before and after use in accordance with CDC guidelines.
- Temporary signage will be posted to inform the public of public health guidelines and standards of behavior during program
- If using outdoor displays or tables, add protective barriers, when possible and/or disinfect before and after use.

## Massachusetts High School Graduation Guidelines to help prevent the spread of COVID-19

May 19, 2020

High School graduations are an important ceremony in the lives of the graduate and their loved ones. High School graduation ceremonies should proceed with the following schedule and guidelines:

- Ceremonies held between now and July 18<sup>th</sup> should be held virtually or in extremely limited other circumstances following safety protocols (e.g., car parades).
- Ceremonies held beginning July 19<sup>th</sup> may take place OUTSIDE under the following standards **and** assuming the public health data supports the continued opening of our state.

### **General Standards**

These standards are minimum requirements only and are not exclusive or exhaustive. The public health data and principles for disease prevention upon which these guidelines are based can and does change frequently. It is imperative that all local, state and federal requirements are adhered to in planning a high school graduation ceremony.

Any graduation ceremony held outside must be in an unconfined outdoor space that can accommodate social distancing and the flow of air. Tents or other enclosed spaces are not permitted.

Schools must communicate in writing to any graduate, their family, school personnel and others who may attend that if they are feeling sick, are exhibiting any of the following symptoms (fever, cough, shortness of breath, chills, muscle pain, headache, sore throat, or new loss of taste or smell), or have potentially been exposed to someone with confirmed or suspected COVID-19, they should not attend the graduation ceremony. A potential exposure means having household contact or having close contact (within 6 feet) with an individual with confirmed or suspected COVID-19 for a prolonged period of time (over 15 minutes) while the person is symptomatic or 48 hours before symptoms developed.

Persons who are particularly vulnerable to COVID-19 according to the Centers for Disease Control (e.g., due to age or underlying conditions) should be discouraged from attending the graduation ceremony.

The outdoor space must have sufficient space to accommodate attendees who are not from the same immediate household spaced at least six feet apart.

### **Attendance**

- Attendance must be limited to Graduates and their immediate family members only. Families must sign up in advance of the graduation and only those who have pre-registered may attend. Children under the age of 5, older adults and those with vulnerable health conditions should be discouraged from attending.
- Staff or attendants must monitor the number of attendees entering the graduation ceremony and confirm that they had pre-registered.

### **Social Distancing**

#### Seating

- Attendees who are not part of the same immediate household must be seated at least 6 feet apart. Members of the same immediate household are permitted to sit together and less than 6 feet apart.
- If there is fixed seating, rows should be blocked off and kept empty to allow for sufficient distancing between rows.
- Graduates must be seated 6 feet apart.

#### Entering and Exiting

- Every effort must be made to encourage the orderly arrival and exiting of individuals attending the graduation in a manner that encourages social distancing.
- Graduates must enter and exit 6 feet apart from one another in a single line.
- Social distancing measures include:
  - Signage or pavement/ground markings should be posted to have one-way aisles or otherwise direct attendees to follow certain pathways for arriving to entering and exiting from the graduation service.

- If a line forms outside of the graduation, those waiting should be directed to maintain social distancing. Tape, chalk or other markings should be laid on the ground outside of the venue in order to maintain social distancing of at least 6 feet.
- Staff should direct people help maintain social distancing.
- Staff should direct successive, row-by-row exiting.

### **Face Coverings**

- All attendees must wear face coverings before, during and after the ceremony. The only exceptions are when a person is unable to wear a face covering or mask because of a medical or other disabling condition. Speakers may remove masks during their remarks.
- For children between age 2 and 5, the wearing of a face covering or mask is at the discretion of the child's parent or guardian. Children under the age of 2 should not wear a face covering or mask. Children under the age of 5 are discouraged from attending the graduation ceremony.
- Any person who refuses to wear a face covering or mask without a valid justification may be denied entry.

### **Ceremony: Pre, During and Post**

- The venue must be cleaned prior to the service, including heavy transit areas and high touch surfaces (e.g. bathrooms, microphones).
- There can be no communal/reception either before or after the graduation.
- No food or drink is allowed.
- The venue must have sufficient access to alcohol-based hand sanitizers with at least 60% alcohol available at all entrances/exits.
- On the dais/platform, all faculty and distinguished guests should be limited and must be seated 6 feet apart.
- Graduates may be invited to walk across the stage individually and turn their tassel in lieu of receiving the diploma. Alternatively, diplomas and awards could be distributed if bestowing the awards/diplomas is done cautiously (e.g. placing each diploma and/or award on a table as the graduate walks by to retrieve it).
- No hugging or hand shaking should occur.

- Ceremonies should be kept as brief and short as possible.
- Individuals must promptly depart the premises in an orderly fashion after the ceremony is over following the directions of school officials.

Dear LBH (or Municipal Official),

DESE sent out the attached graduation guidance to school admins today. Pasted below is also some additional info about the gathering order from the Governor's legal office...

"We write to clarify the continuing effect of the part of the Governor's Emergency Order No. 13 that limits gatherings to ten or fewer persons. That Order has always included the following exception to that limitation: "This Order does not prohibit gatherings of more than 10 people in an unenclosed, outdoor space such as a park, athletic field, or parking lot." Thus, Emergency Order No. 13 DOES NOT limit gatherings in an unenclosed, outdoor space to ten people. Guidance by the Department of Public Health advises that social distancing should be practiced at all times, and people are required to wear a face covering if they cannot maintain at least six feet of space between themselves and others.

For instance, a political demonstration in a public square is not limited to 10 people, but the demonstrators must wear a mask if they do not stay at least six feet apart.

The full provision of Order No. 13 as it concerns gatherings is pasted below.

"3. Limitations on Gatherings

Gatherings of more than 10 people are prohibited throughout the Commonwealth. Gatherings subject to this Order include, without limitation, community, civic, public, leisure, faith-based, or sporting events, concerts, conferences, conventions, fundraisers, parades, fairs, festivals, weddings, funerals, and any similar event or activity that brings together more than 10 persons in any confined indoor or outdoor space. This limitation shall not apply to the operations or activities of any business or organization in its provision or delivery of COVID-19 Essential Services.

This Order does not prohibit gatherings of more than 10 people in an unenclosed, outdoor space such as a park, athletic field, or parking lot.

Athletic and recreational activities that bring participants into close, physical contact are prohibited even when involving 10 or fewer people and regardless of where conducted."

**REOPENING MASSACHUSETTS**  
**Guidance for industries on the reopening plan**  
**As of May 18, 2020**

The following detailed commentary is related to the Executive Order signed by Governor Baker on May 18, 2020. This document is intended to provide additional information on businesses and activities summarized in the Reopening Massachusetts report. This is not an exhaustive list of all possible businesses that can open in each phase; it may be updated from time to time.

For additional information please visit the Reopening Massachusetts website <https://www.mass.gov/reopening>

Unless otherwise stated, businesses expected to be allowed to open in future phases will be subject to certain limitations and guidelines that will be provided at a later date. All businesses are required to follow Mandatory Workplace Safety Standards and Sector specific safety protocols and best practices. All of this information is subject to revision based on the latest public health data.

**Businesses**

Category	When you can reopen	Additional comments
All businesses deemed essential by previous orders	Currently allowed	These businesses will be required to comply with Mandatory Workplace Safety Standards and any applicable sector specific safety protocols / best practices by May 25, 2020.
Banks	Currently allowed	These businesses will be required to comply with Mandatory Workplace Safety Standards and any applicable sector specific safety protocols / best practices by May 25, 2020.
Financial services	Currently allowed	These businesses will be required to comply with Mandatory Workplace Safety Standards and any applicable sector specific safety protocols / best practices by May 25, 2020.
In house services (such as nannies, babysitting)	Currently allowed	These businesses will be required to comply with Mandatory Workplace Safety Standards and any applicable sector specific safety protocols / best practices by May 25, 2020.
Real estate open houses	Currently allowed with restrictions	These businesses will be required to comply with Mandatory Workplace Safety Standards and any applicable sector specific safety protocols / best practices by May 25, 2020.
Construction	Phase 1 – May 18	All construction businesses, please refer to detailed guidance for reopening

Cruise ships	N/A	Operating under federal guidance, No Sail order currently in effect

## RULES TO KEEP YOU SAFE AT WORK

# Mandatory safety standards for workplaces

*Boh  
6-3-20*

### SOCIAL DISTANCING

Remain at least six feet apart from others to the greatest extent possible, both inside and outside workplaces

Follow established protocols to ensure social distancing

Review signage for safe social distancing

Use a face covering or mask at all times

### HYGIENE PROTOCOLS

Ensure there are hand washing capabilities throughout the workplace

Wash your hands frequently and properly

Provide regular sanitization of high touch areas, such as workstations, equipment, screens, door knobs, restrooms, etc.

### STAFFING & OPERATIONS

Attend work trainings regarding the social distancing and hygiene protocols

Do not report to work if you are displaying COVID-19-like symptoms

Comply with plan for employees getting ill from COVID-19 at work, and return-to-work plan

### CLEANING & DISINFECTING

Comply and maintain cleaning protocols specific to the business

Ensure that cleaning and disinfecting is performed when an active employee is diagnosed with COVID-19

Disinfect all common surfaces must take place at intervals appropriate to said workplace

# Welcome

Please know that we take our responsibility to keep Massachusetts safe very seriously. Be assured we have taken the following steps to comply with state mandatory safety standards for workplaces:

Workers are wearing face coverings and we've put social distancing measures in place

We provide hand washing capabilities and we are regularly sanitizing high-touch areas

Our staff has received training regarding social distancing and hygiene protocols

We have established thorough cleaning and disinfecting protocols

We ask you to do your part as well by wearing your face mask and maintaining social distance. Thanks—and we hope to see you again soon.

A handwritten signature in black ink that reads "Eileen H. Douglas".

Signature

## **Board of Health Report – June 3<sup>rd</sup>, 2020**

Substance Abuse and Prevention Division, Lowell Health Department

Substance Abuse Coordinator, Division Manager  
*Lainnie Emond, LMHC*

### ***Prescription Drug Monitoring Program (PDMP) Grant Initiatives:***

- Lainnie continues to work with the Co-Chairs of the Mayor’s Opioid Epidemic Crisis Task Force. She has engaged in no planning as the March and April meetings were canceled due to social distancing measures.
  - *Upcoming Meetings: May 18<sup>th</sup> from 5:30-6:30pm (virtual), Monday June 29<sup>th</sup> from 5:30-6:30pm (TBD).*
- Lainnie continues to lead Data Subcommittee of the Mayor’s Opioid Task Force. Meetings are being held virtually. Agreed to hold off on creating a new “Opioid Trends in Lowell, MA” report until a topic is identified that would benefit the provider community.
- Lainnie continues to work the Lowell Police Department and UMass Lowell grant partners to document the progress of the grant for the final report, as the PDMP grant ends in September 2020.

### ***Lowell CO-OP and Related Efforts:***

- Lainnie continues to be involved in administrative planning for the Lowell CO-OP, including co-facilitating Lowell CO-OP Supervisors Meetings and working with team and grant partners to ensure effectiveness of the team. All meeting are being held virtually or via conference call at this time.

### ***Additional Substance Abuse Coordinator Activities:***

- Lainnie continues to be the point person for [www.DrugFreeGreaterLowell.org](http://www.DrugFreeGreaterLowell.org) (see MOAPC report).
- Lainnie has helped to create the template for an education project re: adult marijuana use and youth prevention through the Tewksbury Substance Abuse Prevention Collaborative coalition.
- Lainnie continues to manage daily activities of the Substance Abuse and Prevention Division. The Division is checking-in twice a week via a virtual platform to share updates and provide mutual support.
  - Lainnie, Maricia Verma (Lowell CO-OP Supervisor), Joe Aniello (Clinical Recovery Specialist), and Shannon Gray (Outreach Health Educator) have been working from home since March 23<sup>rd</sup>. Andres Gonzalez (Syringe Collection Program Coordinator) has continued to respond to incoming syringe pick-up requests and proactive pick-ups.

Massachusetts Opioid Abuse Prevention Collaborative (MOAPC)

*\*\* Lainnie Emond is overseeing the MOAPC Coalition and grant efforts in the interim\*\**

**Strategy One (implement Life Skills Training across the cluster):** Life Skills Training is an evidenced based prevention curriculum supported by the Bureau of Substance Addiction Services.

- No updates at this time.

**Grant Strategy Two (coordination and promotion of education on harm reduction strategies):**

- Several organizations within the MOAPC cluster offer Narcan training and Narcan kits while engaging in appropriate social distancing measures.
- Many towns in the Greater Lowell cluster continue to engage in post-overdose follow-up with precautions due to COVID-19.

**Drug Free Greater Lowell Website**

- [www.DrugFreeGreaterLowell.org](http://www.DrugFreeGreaterLowell.org) is being maintained via the MOAPC grant. The COVID-19 resource page related to mental health, substance abuse treatment and recovery, and youth prevention is being updated regularly.

**2020 Website Analytics**

	Jan	Feb	Mar*	Apr	May	June	July	Aug	Sept	Oct	Nov	Dec
<b>Total page Views</b>	645	497	--	470	--	--	--	--	--	--	--	--
<b>Unique Page Views</b>	496	362	--	329	--	--	--	--	--	--	--	--

*\*Analytics for March were unavailable at the time that this BOH report was submitted.*

**Other Updates**

- It was announced by BSAS on April 13<sup>th</sup> that the MOAPC grant will be extended through June 31<sup>st</sup>, 2020. BSAS reported that they had to adjust their timeline to release the new prevention RFR due to COVID-19, and in doing so made the decision to extend the MOAPC and Substance Abuse and Prevention Collaboration (SAPC) grants.
- Due to the grant extension, the MOAPC Coalition Coordinator position job description will be posted.
- The MOAPC grant is paying for two MOAPC Coalition members to attend Adcare’s virtual New England Institute of Addiction Studies summer program from June 1<sup>st</sup> – 4<sup>th</sup>.

Partnerships for Success (PFS)  
Shannon Gray, Outreach Health Educator

***Strategy One (social media and education dissemination to high school-aged youth re: sharing prescription medications):***

**PFS Social Media Campaign:**

Shannon is making necessary updates to the social media “meme” campaign and related-messaging. Shannon is working with the PFS grant’s assigned Technical Assistance Liaison and BSAS Grant Coordinator to gather feedback. Updates will be sent to the contracted graphic designer for creation. Instead of running focus groups with youth to gather their feedback on the memes, we will be gathering youth feedback from an online survey about the possible memes instead of running focus groups to adjust for social distancing measures placed because of COVID-19. This feedback will hopefully be gathered and analyzed by mid-June.

***Strategy Two (social media and education dissemination to parents/guardians and high school-aged youth re: proper disposal and storage):***

**“Help Keep Our Kids Safe” Campaign**

The prescription medication educational flier for parents/guardians was printed and will be distributed to local programs who have access to parents/guardians; programs will then share with parents/guardians over the next couple of months. Shannon worked with PFS Coalition members to identify additional methods of flier distribution to reach parents/guardians of high-school aged youth. As social distancing measures set in place for COVID-19 have impacted direct contact for flier dissemination and education, PFS Coalition members have also been provided the educational flier electronically to share.

***Monthly Meeting:***

The Partnerships For Success Coalition meeting was held April 22<sup>nd</sup> from 1-2pm via Zoom. The next Coalition meeting is scheduled for May 27<sup>th</sup> and will be held virtually.

***Outreach Health Educator Position:***

Due to the impact of COVID-19, Shannon and other nonessential staff at the Lowell Health Department have been working from home since the last week of March. Shannon has created, and is continuing to update, a new timeline for PFS grant activities to adjust for recommendations set in place for COVID-19.

Lowell Community Opioid Outreach Program (CO-OP) – **Overview**  
*Maricia Verma, Lowell CO-OP Supervisor*

**Lowell CO-OP Data**

--	Apr 2019	Apr 2020*	Total 2019	Total 2020
<b>Total Encounters</b>	47	17	667	151
<b>Unique Encounters</b>	29	5	378	83
<b>Initial Interaction</b>	9	1	100	22
<b>OD Follow-Up</b>	11	0	116	10
<b>Section 35</b>	1	0	20	3
<b>Clinical Clients</b>	4	4	40	15

<b>Medical Treatment</b>	5	1	33	6
<b>Other Services</b>	8	1	47	20
<b>Misc. Outreach</b>	--	0	1581	43

*\*Due to restrictions placed on Lowell CO-OP staff because of Corona virus (COVID-19), data analysis has been restricted to electronic records only. When remote work requirements are lifted the data analysis of both electronic and paper records will be revised.\**

**Outreach and Educational Events**

- Due to COVID-19 concerns, outreach and educational events have been temporarily suspended.

**Relationship Building**

- Due to COVID-19 concerns, in-person relationship building has transitioned to phone and email conversations. Although no new relationship building was engaged during April and Maysdsd, Lowell CO-OP team members have maintained contact with local partners and collaterals working with the same population.

**Additional**

- 3/23/2020: In order to reduce the physical presence of employees in public buildings, the City of Lowell asked that non-essential workers begin working remotely. Lowell CO-OP Supervisor and Clinical Recovery Specialist were included in those who were asked to work remotely.
- 4/29/2020 The Lowell CO-OP Supervisor and Clinical Recovery Specialist (CRS) received cellphones to facilitate their remote work. Fliers were printed created and sent out to partners to advertise the new cell phone numbers, as well as advertise phone numbers for the main Lowell CO-OP cellphone and the phone number for the Lowell House Clinical Outreach Specialist on the Lowell CO-OP.
- Lowell House Outreach Specialist, member of the Lowell CO-OP, has been distributing Narcan to community partners on a bi-weekly basis via Lowell House’s Overdose Education and Naloxone Distribution grant.

Lowell Community Opioid Outreach Program (CO-OP) – **Clinical Services**  
*Joseph Aniello, Clinical Recovery Specialist*

\*\*Please note that “Clinical Staff” for the Lowell CO-OP are completed by Joseph Aniello, Maricia Verma (Lowell CO-OP Supervisor), and Gianna Sandelli (Outreach Specialist from Lowell House Addiction Treatment and Recover).\*\*
