

## Michael Domina

---

Michael Domina brings 24 years of education experience to the Principal role as a teacher, district support specialist, and having served most recently as Assistant Principal of the McAvinnue Elementary School in Lowell for the past 5 years. He began his professional career as a special education lead supervising teacher for the Robert F. Kennedy Children's Action Corps. at their Lancaster campus for 8 years. Later, he transitioned to the Winchester Public Schools in the role of District Behaviorist for the next 11 years supporting students, teachers, parents, and school/district administrators with multiple social emotional and proactive behavioral initiatives. Over the course of his professional career, he has designed, implemented and lead multiple professional development sessions focusing on student engagement, proactive behavioral supports, and social emotional instructional curriculum at various school districts across the Commonwealth. Mr. Domina believes that building relationships through consistent and positive engagement is the key to unlocking the potential for all students regardless of their individual need. He continues to tirelessly promote the notion that "making an impact with students starts at the door" and everyday is an opportunity to "be the difference" for kids. Mr. Domina is honored to continue to support the positive progress and momentum at the McAvinnue Elementary School.
