Dr. Boyd,

Jennifer Scarpati respectfully requests permission for Michael Sheehan to attend the Massachusetts AFL-CIO Biennial Constitutional Convention which will be held in Springfield MA on Wednesday September 25 through Friday September 27th. Mr. Sheehan was elected as a delegate to the convention and I have received a written request from Paul Georges, UTL President for him to attend this convention. The union will incur all of the expenses for this trip. We would require a custodian to cover his duties for these three days.

Sincerely,

A handwritten signature in cursive script that reads "Jenn Scarpati".

Jennifer Scarpati, Ph.D.
