

Renaissance Network – Update

Equity. Excellence. Empowerment.
October 2, 2019

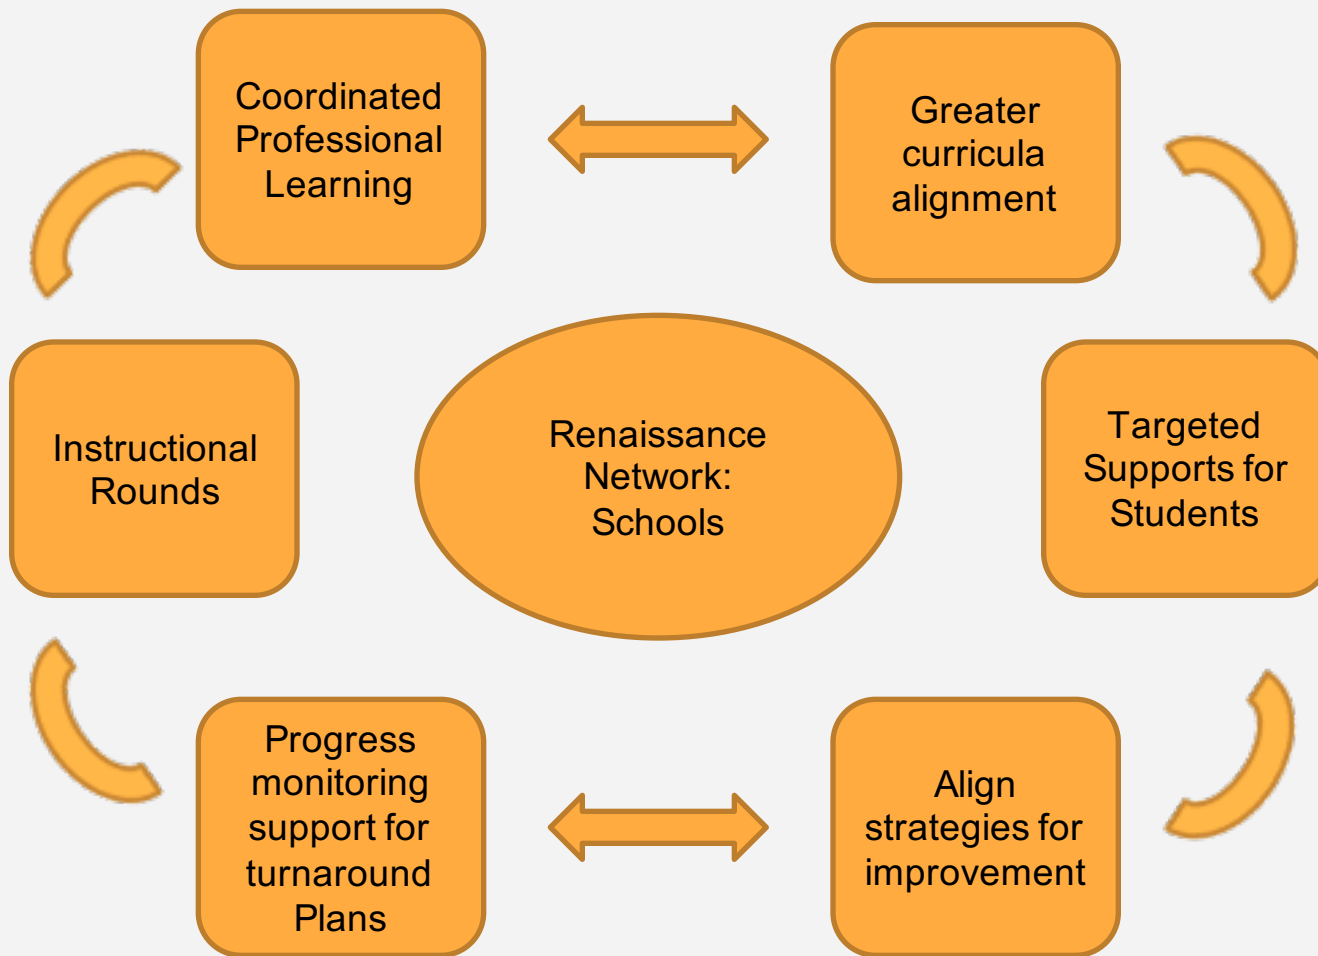

Renaissance Network

- The Renaissance Network is a strategy to support our under-performing schools.
- Schools receive differentiated services and supports to address achievement and performance gaps.
- Schools are assigned to the network based on DESE accountability percentiles.

Resources to provide this support to schools:

- Assistant Director of Special Education
- Principal Mentor
- Director of Secondary Education
- School Climate Specialist
- Academic Coaches

Supporting the Network
