

LOWELL PUBLIC SCHOOLS
LOWELL, MASSACHUSETTS

A/V Sound, Light, and Communications Specialist
(grant funded) (hourly)

Requirements

This position is for an individual with experience in stage sound and light equipment, AV tech equipment, and technical theater support in Lowell High School's Irish and Burgoyne Theaters. Applicant must be comfortable working independently and with students and staff at LHS. This technician will be responsible for the proper set-up, execution and break down of theatrical lighting, audio, A/V and communication systems

Reports to: Head of School

Effective Date of Employment: as soon as posting ends

Terms: School year, approximately 18 hours per week, as-needed

Salary: \$17.50/Hour - approximately 350 hours per school year (grant funded)

Job Responsibilities

1. Setup sound, light, and A/V equipment for school events and functions
2. Maintain and inventory theater light and sound equipment
3. Collaborate with LHS staff and students on school-wide functions and events
4. Flexible schedule; ability to work on an as-needed basis
