RE: Response to Motion on Social Emotional Learning in FY21/22 budget  
Date: January 14, 2021

---

This is in response to the motion made by Robert Hoey at the 12/9/20 meeting: “Request that the Superintendent look into the feasibility of adding a separate line item for Social Emotional Learning (SEL) in the 2021-2022 Budget.”

A budget line for Social Emotional Learning costs was added to the budget document as a placeholder until we determine more details for how much will be spent and on what. At that time, we will update the budget to have more detail SEL expense descriptions.
