Re: City Council Motion Response

Councilor Nuon - Req. City Mgr. to have the Superintendent of the LPD Identify Grants to Offset the Costs of Video Cameras for Businesses, Non-Profits and Religious Institutions; and Potential to Connect to the Ring Network or Comparable Video Network for Use by the LPD on Advancing Public Safety Efforts in Neighborhoods.

The Lowell Police Department has researched this request and as of right now, there aren't any Department of Justice grants available to fund this initiative. However, the LPD will continue to research funding and will keep the Council informed if any funding is identified.
