RE: Request for Home Education

---

The following parents/guardians seek permission to home educate their children:

Carolynn Deshler  
180 Upham Street

Carolina Cruz  
28 Sutherland Street

Under General Laws Chapter 76, Section 1, Home Education is constitutionally permissible. Therefore, I recommend approval of this request.

If granted, the number of families approved by the Lowell School Committee to home school will total **83** and the total number of children will be **120**.
