What Can The Youth Outreach Specialist Do For You?

Prevention Through Education

The Youth Outreach Specialist is able to speak with youth, youth serving agencies, parents, and community members about the dangers of opioid use and preventing youth substance use.

Community Collaboration

The Youth Outreach Specialist is your resource to learn more about local services that support youth and families.

Case Management

The Youth Outreach Specialist works with youth and their families who have been impacted by the opioid epidemic to connect them to the most appropriate services.
