Petition of the Massachusetts Electric Company d/b/a NATIONAL GRID
Of NORTH ANDOVER, MASSACHUSETTS
For Electric Conduit Location:

To the City Council of Lowell

Respectfully represents the Massachusetts Electric Company d/b/a NATIONAL GRID of North Andover, Massachusetts, that it desires to construct a line of underground electric conduits, including the necessary sustaining and protecting fixtures, under and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it be granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as it may find necessary for the transmission of electricity, said underground conduits to be located substantially in accordance with the plan filed herewith marked – Appleton St. - Lowell, Massachusetts.

The following are the streets and highways referred to:

30006761 Appleton St. - Beginning at a point approximately 15 feet south of the centerline of the intersection of South St. and Appleton St. and continuing approximately 120 feet in a westerly direction. National Grid to install new heavy duty handhole 152-1, install new 2-4" conduit from manhole 157 to new heavy duty handhole 152-1, and install new secondary from manhole to handhole for service upgrade at 197 Appleton St.

Location approximately as shown on plan attached.

Massachusetts Electric Company d/b/a
NATIONAL GRID *Dave Johnson/lla*
BY _____
Engineering Department

Dated: May 19, 2021

ORDERED:

Notice having been given and public hearing held, as provided by law, that the Massachusetts Electric Company d/b/a NATIONAL GRID be and it is hereby granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, and to make the necessary house connections along said extensions, as requested in petition with said company dated the 19th day of May 20210.

Said underground electric conduits shall be located substantially in accordance with the plan filed herewith marked – Appleton St. - Lowell, Massachusetts.

The following are the public ways or part of ways along which the underground electric conduits above referred to may be laid:

30006761 Appleton St. - Beginning at a point approximately 15 feet south of the centerline of the intersection of South St. and Appleton St. and continuing approximately 120 feet in a westerly direction. National Grid to install new heavy duty handhole 152-1, install new 2-4" conduit from manhole 157 to new heavy duty handhole 152-1, and install new secondary from manhole to handhole for service upgrade at 197 Appleton St.
