RE: *2021-2022 School Calendar Revision*

A few revisions have been made to the previously approved 2021-2022 school calendar. The City of Lowell will be holding a primary election on Tuesday, September 21, 2021. As a result, there will be no school on September 21, 2021, and an additional school day has been added to the calendar in June. Also, to comply with employment contracts, Central Administration and the Family Resource Center will be closed on Monday, December 27, 2021 and Friday, December 31, 2021.
