Re: Conservation Commission

Dear Mayor Leahy and Members of the City Council:

Pursuant to the authority vested in me as City Manager under Mass. G.L. Chap. 40, sec. 8C, it is with pleasure that I appointment Stephen M. Laput to the Conservation Commission which term expires October 26, 2024, or such time thereafter until a successor is appointed and qualified.

Since under the above-referenced statute confirmation by the City Council is not required for this reappointment this letter is notification of such.

I would be happy to answer any inquiries you may have concerning this reappointment.

Very truly yours,

Eileen M. Donoghue  
City Manager

Dear Sir or Madam:

I am writing to express interest in the open seat on the City of Lowell's Conservation Commission. As an architect and a citizen of Lowell, I believe I can make a valuable contribution to the Conservation Commission. I have a passion for the outdoors, and the Commission's responsibility for overseeing the protection of Lowell's wetlands, riverbanks, and wildlife is very much in line with my own beliefs in conservation, history, sustainability, and the landscape.

As an architect, I have twenty-five years of experience managing the design and construction of projects that include educational and civic facilities ranging from public and private K-12 schools to public libraries. My work regularly includes site planning and design, and I have worked closely and collaboratively with planning boards and conservation commissions to ensure my projects fit within the context of their sites and the landscape.

In addition to my technical skills and experience as an architect, my membership on Lowell Community Health Center's Board of Directors has given me a deep understanding of the unique and exciting cultural diversity and history of Lowell which touches all aspects of life in our city. This knowledge gives me a valuable perspective on the need to responsibly and sustainably balance development and construction with the needs of our community and its landscape.

I have enclosed my resume for your review and consideration. If you have any questions or need any additional information, please don't hesitate to contact me.

Sincerely Yours,

Stephen M. Laput, AIA, LEED BD+C, MCPPO
