Subject: 34 Epping St - Removing Handicap Sign

Hi Michael,

I recently moved to 34 Epping St in Lowell and looking to get a handicap-only sign removed from outside of my house. Our realtor mentioned we would need to contact the City to have this removed.

I've had someone call the cops on me for parking in my own space so would request this be removed as soon as possible.

I understand this won't be reviewed until next month's Council meeting but can you confirm receipt of this when you have a moment.

Thank you,

Corey Andrade
