MEMORANDUM

TO: Eileen M. Donoghue, City Manager *EMD*

FROM: Christine McCall, Assistant City Manager/DPD Director

DATE: February 1, 2022

SUBJECT: MOTION OF 1/11/22 BY COUNCILOR SCOTT REQUESTING CITY MANAGER HAVE APPROPRIATE DEPARTMENT RE-STRIPE CROSSWALK AT MOORE/GORHAM STREETS AND REPAIR TURNING LANES

The Department of Planning and Development (DPD) does not recommend painting in cold weather (45 degrees or lower), especially when looking for a long-lasting result. The DPD will coordinate with the LPD to repaint this area in the early spring when we can ensure the ground temperature is above 40 degrees for multiple consecutive days.

In the meantime, the DPD is in the process of securing quotes for a contractor to re-stripe the entire City, inclusive of centerlines, turning lanes, and crosswalks. We will keep the City Council apprised of our progress and proposed project schedule, once we secure a contractor and financing plan.
