RE: Informational Update Regarding a Collaboration on Opening the Schools for Youth Activities

This memorandum is a report on current out of school open gym activities that the City Recreation office runs.

Currently we have the following programs:

*Drop in basketball program Stoklosa School Mondays/Wednesdays 6pm-9pm

*Special Needs Basketball Pawtucket Memorial Tuesdays/Wednesdays 6:30-8:30pm

Run in partnership with Kids in Disability Sports organization

*Volleyball Pyne School Wednesday/Thursdays 6-9pm

*Youth Adventure Program Bartlett School Saturdays 9am-12pm

*Swim Lessons GLTHS pool Saturdays 10am-2pm

Session 3 begins March 5 and ends on April 9

*Special needs swim GLTHS pool Saturdays 2pm-4pm This

Run in partnership with Kids in Disability Sports organization and ends April 2

*Movie Nights Reilly School First & Third Fridays monthly 6pm-8:45pm

*After School Program Morey School Mondays – Thursdays 2:30-4pm

Run in partnership with the Lowell Public Schools

The problem we run into is in order to gain access to more schools we would need to displace current organizations that are historically in place. This would include Ecumenical leagues, Neighborhood basketball programs, Lowell Girls Lacrosse, etc.
