Dear Mr. Geary,

My client, John and Carol LeMay, would like to petition the City Council to abandon a portion of a paper street know as 2<sup>nd</sup> Street near Billings and Barker Ave.

We are asking for the attached area that has 15.15' of frontage on Billings St, by 14.90' on Barker Ave, by 113.91' x 20' x 129.16' and has a land area of 2,534 sf according to the attached plans.

Mr. LeMay bought the property in 1988 and the driveway was already present when the property was purchased and has further been in place since the house was built in 1929. Mr. Lemay has been maintaining and utilizing a portion of this area for their driveway. As you can see in the photos, the area has been meticulously maintained.

See attached photos and please let me know if you have any questions.
