RE: C. Robinson – Request City Manager Have DPW Provide The Council With a Detailed Weekly Cleaning Schedule Including All Locations For City Business Districts In Regards To the Tenant Vacuum That Comes Out of DPW Parks

The Parks Department has 2 downtown vacuums and 1 vacuum for arterial routes adjacent to the downtown area. The attached schedule includes the weekly schedule for each vacuum. Routes A, B, and C operate during the weekdays with a total of 3 vacuums operating during the week. There is one vacuum (Route D) that operates on the weekends.

All 3 vacuums operates throughout the year, weather permitting. The vacuum that cover the arterial routes was down for repairs this winter and is now operational.
