RE: Motion by Councillor Leahy
“Request the City Manager look into the feasibility of adding two flag poles outside the entrance to City Hall”

The Parks Department is getting price quotes for the purchase of two flag poles to be installed outside the front entrance to City Hall. We have requested the cost of two flag poles and the lead time on getting these poles, so that the Lands & Buildings Division can install them as soon as we receive them. These two new flag poles outside the City Hall entrance will allow the City to keep the flags up a little longer for various celebrations.

Please let me know if you have any questions or concerns.

Thank you.
