Re: City Council Motion Response

Councilor Yem/Councilor Scott – Require City Manager Have Appropriate Department Explore Installing A 4-Way Stop Sign At The Corner Of Suffolk And Broadway Streets, Along With Painting Pedestrian Crosswalk On Broadway Street.

In order to offer an immediate remedy to the aforementioned safety issue, the Police Department Sign Shop has painted the two cross walks that are on Suffolk Street at either side of Broadway Street. One-Way signs have been installed at the corner of Broadway Street at the entrance to Suffolk Street and on Suffolk Street by the Canal.

Christine McCall and DPD will be exploring the feasibility and logistics of locating a cross walk on Broadway Street by Suffolk Street.
