

MEMORANDUM

TO: Thomas A. Golden, Jr. 
City Manager

FROM: Mark E. Byrne 
DPW Commissioner

DATE: June 14, 2022

SUBJECT: Council Motion by Councillor Robinson
“Request the City Manager work with the City and School Unions, the Lowell School Community, PTO Organizations and Volunteer Organizations to put together an “All Hand on Deck” Task Force with the goal to update schools and facilities identified in need of painting and/or upgrades over the summer break”

The DPW staff and 1705 Union met with the Lowell School Department Facilities Staff two weeks ago. We talked about various organizations and parent groups willing to help assist the City of Lowell’s DPW Staff with painting various school front entry ways, hallways and classrooms in several locations. At this meeting, we asked the School Department which schools these organizations and groups would be painting this summer and to provide us with a list.

The Department of Public Works and the School Department will work together getting various schools painted throughout the summer break and school year. We look forward to getting the list of schools that the groups and volunteers will be painting during this summer school break 2022.
