

MEMORANDUM

TO: Thomas A. Golden, Jr. 
City Manager

FROM: Mark E. Byrne 
Interim DPW Commissioner

DATE: June 14, 2022

SUBJECT: Council Motion by Councillor Jenness
FOLLOW-UP RESPONSE
“Request the City Manager provide a report on maintenance of the Riverwalk Area”

After walking the Riverwalk with Shannon Cohan and Jim Green on Wednesday, June 1, 2022, we followed up on a few issues that Councillor Jenness pointed out to me regarding the wooden walkway that had a few broken boards and also several boards needed to be remounted down for any safety hazards.

The Department of Public Works will take care of fixing and replacing the broken boards on the Riverwalk, behind the Tsongas Arena, by Wednesday, June 8, 2022. We will also power wash the park benches on the walkway to bring them back to looking new as well as repair or replace the barrel during the same time frame.

Please do not hesitate to contact me if you have any questions.

Thank you.
