To Whom It May Concern:

I Ruben Ceballos notify my residency at 63 Mount Vernon Street Apt 1 Lowell MA 01854. On September 20,2022 my landlord Maria came to my apartment to notify me that I must remove my handicap plate from the parking space due to other tenants needing the parking space she gave me because I do not have a car. As for right now I do not own a car but I'm constantly using my daughter's vehicle witch I park right on my parking space. I need her to return me my space due to my medical condition as I cannot walk from a long distance. My medical conditions are very Chronic starting with my type 2 diabetes, chronic atrial fibrillation, cardiac pacemaker in situ, constant chronic chest pain, bilateral inguinal hernia repair along with other chronic medical conditions. For my safety and mental health, I am requesting my handicap parking space again.

THANK YOU
