

AASA National Conference

To: School Committee Members
From: Joel D. Boyd, Ed.D. Superintendent
Date: December 19, 2022

If circumstances allow, I am planning to attend the American Association of School Administrators' National Conference on Education to be held in San Antonio, Texas from Thursday, February 16, 2023 through Saturday, February 18, 2023. The cost of the conference, airfare and lodging will not exceed \$3,800 and will be paid by the District's Professional Development budget. The cost of travel and \$50/day expense will not exceed \$150.00.

Close to 3,000 Superintendents will be attending this annual event, which provides an opportunity for educational leaders from across the country to come together to learn from each other. I'll have the opportunity to hear from the General Session speakers, learn from education thought leaders, and engage with colleagues from across the nation.
