

January 2023 BOH Report

School Health Unit

During the month of November, SBIRT screenings for grades 7 & 9 were completed. The School Nurses, in collaboration with LPS Social Workers & Guidance Counselors, interviewed 951 students using the CRAFFT screening tool.

The Nurse Coordinator participated in the School Safety Team meetings, the Annual Greater Lowell Health Alliance meeting, and the UML Nursing Advisory Board meeting. The Nurse Coordinator & Clinical Manager also participated in a School Safety Threat Assessment Training through Middlesex Partnership For Youth.
