Subject: Discontinuation of Chest and Immunization Clinic at Lowell General Hospital

Hello Anna,

For many years Lowell General Hospital has operated a Chest and Immunization Clinic at our Saints Campus, formerly Saints Medical Center. Effective January 1, 2023 Dr. Ted Parsons is retiring after 52 years of service. With Dr. Parsons retirement we will no longer be able to run the Chest and Immunization Clinic at Lowell General Hospital, Saints Campus. Currently Dr. Parsons works every Tuesday from 12-2pm and sees 8-10 patients. We would like to put a plan in place to transition existing and future patients to an appropriate resource.

Please let us know if a meeting would be helpful as we look to organize next steps for these patients.

Thank you,

Amy J. Hoey, RN
President
