REFERENCE: OVERHANGING SIGN – 26A MARKET STREET

Dear Mr. Geary:

I am seeking City Council approval to install a replacement overhanging sign for Wings Over Lowell located at 26A Market Street. I understand that City Council approval is required as the sign overhangs a public way and that insurance is also required. The attached sign design has been approved by the Historic Board and your assistance in placing this on the City Council's next agenda to start this process would be much appreciated.

Thank you for your assistance in this matter and if you have any questions, please do not hesitate to contact me at (869) 293-1824 x 104

Sincerely,
