## MEMORANDUM

**TO:** Thomas A. Golden Jr., City Manager 

**FROM:** Paul St.Cyr, DPW Commissioner

**DATE:** March 14, 2023

**SUBJECT:** **MOTION RESPONSE – 1/31/23 - C. Scott** - Req. City Mgr. Have Proper Department Evaluate the Badly Deteriorated Sidewalk Conditions at the Cardinal O’Connell Pre-School and Develop a Plan for Repairs.

*Eight schools have been identified to receive ADA ramp upgrades to sidewalks approaching the schools during the summer of 2023. The Cardinal O’Connell School on Carter Street is one of the schools selected as part of the ADA sidewalk ramp improvements initiative across the city.*

*In light of the existing conditions of the sidewalk at the school, a full replacement of the sidewalk and reset of the granite curbing is necessary. To provide adequate width of the sidewalk to comply with the ADA regulations, it is necessary to remove the existing compromised retaining wall and install a new wall and fence to the school yard. This work is expected to take place over the course of the summer and will be completed before the start of the 2023-2024 School year.*
